#### **BPMC Discussion**

Stephanie provided a quick recap of where we are in the BPMC-LLC process: WACD and SWCDM have formally agreed to move forward with the transition of BPMC to an LLC. Stephanie has worked with BPMC, WACD, and SWCDM on a revised Cooperative Agreement (which will later serve as a template for the LLC Operating Agreement). BPMC approved this agreement in June. Stephanie is also currently working on an updated NRCS MOU, which will likely not be approved by NRCS until after there is a finalization of the LLC.

- Bobby, WACD: Recommended that the revised Cooperative Agreement not be formalized at this
  time, but rather it is provided to legal counsel (Crowley Fleck) for review and incorporation of
  additional provisions that may be required by LLC Statutory. Bobby added that WACD has funds
  set aside to assist in these costs and also intends to provide partial reimbursement to SWCDM
  from legal expenses incurred last year for the financial review.
- Next Steps: All agreed that we will reach out to Crowley Fleck for a retainer for reviewing the
  cooperative agreement, following through with the addition of WACD to the BPMC Deed, and
  discuss if we will need to complete a Market Analysis for establishing company value. Stephanie
  will first send an update to the BPMC Board and Partnership to keep everyone informed.

#### Approve 990 (Revised):

The revised 990 included a correction for describing our "3 largest programs" in 2019.

Motion to Approve: Gene Evans

Second: Roddy RostVOTE: Motion Carries

#### **Staff Vacancy**

Kate Aprin submitted her resignation last week, effective August 1st. A staff meeting was held to discuss transition, interim work, and possible next steps. Stephanie will coordinate District Dispatch during the Interim, but The Montana Conservationist Newsletter will likely go on hiatus until someone new can dedicate time to that. Stephanie and members expressed their appreciation for the work Kate has done for SWCDM and MACD over the years. Stephanie will coordinate a Personnel Committee meeting for Friday, July 31st to discuss the options for filling this position in more detail. Mike suggested inviting MACD Personnel Committee members to this conversation as well since it was a mixed position.

#### **Programs Overview and Updates**

Stephanie provided a program report (attached). We are in discussion with partners in the Flathead Basin regarding a possible BSWC member to be shared with SWCDM and a CD to help coordinate programs that are locally targeted in that area. Stephanie is holding interviews this week with applicants to the NRCS Partnership-Range Technician positions. Melissa and Kyle are currently working on adding additional funds to the current MCPI agreement (~\$300,000) for future Soil Health events, coordination, and partner sub awards to be determined by NRCS.

#### **New Computers & Software**

Melissa recently purchased a premier Zoom account to help us with future virtual MACD Convention and Area Meetings. Stephanie also discussed purchasing new laptops and accessories to replace outdated and/or damaged equipment. We will also need an additional computer for a future new hire. These expenses (totaling  $^{\sim}$  \$2,500) will be sent to the COVID relief, Business Adaptability program, for reimbursement.

#### **MACD-SWCDM Proposed Merger updates**

There will be a Zoom meeting later in the day to review the drafted Strategic Framework and also discuss the information Gary collected from Attorney and Accountants consultations.

#### Reports/Open Mic

**Gene:** A new Administrator just started with the Dawson CD

**Jeff:** Expressed support for Stephanie to move forward with a BSWC host application with review and approval by Mike. (Connection issues persisted before a formal motion could be made)
